Subject: [EXT] BC v. Cytek | Request for Status Conference

Counsel,

In view of Beckman Coulter's 2nd Election of Claims retaining claims from the '582 patent reciting "collimating optical element," Cytek intends to request a status conference with the Court to discuss a proposal for resolving the parties' claim construction dispute for this term. Please let us know by COB tomorrow if Beckman Coulter joins us in this request. We are also available to meet and confer tomorrow on this matter.

Regards,
Dustin
